NORTHWEST HOSPITAL & MEDICAL CENTER

PARKING AT NORTHWEST HOSPITAL & MEDICAL CENTER

The parking program at Northwest Hospital & Medical Center was introduced to make parking both faster and more accessible to our patients and visitors. The program helps ensure patients and visitors will find parking on campus that is convenient to their hospital destination.

Parking kiosks at the main entrance make it easy to ask for directions and provide an additional level of security at the hospital.

The hospital provides a grace period of 29 minutes to allow for visitors to drop off or pick up family and friends. For those visiting our campus for scheduled appointments or to visit for longer periods of time, the rates published on the back of this brochure apply.

Some physician offices and clinics provide validation at no charge. Please check with your physician or clinic directly before arriving on campus to see if they validate parking.

Should you have any comments or questions regarding the parking program, please e-mail or write to the address listed on the back of this brochure.

QUESTIONS & ANSWERS

Q: How does the parking program work?

A: It's simple. Take a ticket from the ticket machine as you enter the campus and continue on to the parking areas nearest your destination. Campus maps, which also indicate patient and visitor parking areas, can be obtained at the front gate and at various locations around campus. When you leave the campus, just hand your ticket and payment to the attendant in the parking kiosk. Your payment can be made by cash or with a debit/credit card.

Q: Why does Northwest Hospital & Medical Center charge for parking?

A: The Northwest Hospital & Medical Center parking program ensures that patients and visitors receive priority parking for faster, more convenient access to hospital destinations. The fees collected by the hospital through the parking program cover several local parking taxes. A comprehensive evaluation of other health care facilities in the Seattle area has found that our rates compare favorably to these other local hospitals.

Q: How can I get to and from Northwest Hospital & Medical Center, if I don't want to park my car on campus?

A: Northwest Hospital has worked with King County to provide excellent bus service to and from the campus. Currently, the Metro Route 345 provides direct campus service, dropping patients and visitors off at the entrance to the main hospital tower. Contact King County Transit at (206) 296-0100, or on the Internet at: www.metrokc.gov/tran.htm for more information about routes serving Northwest Hospital & Medical Center.

Q: Are there times when I can park on campus for no charge?

A: Parking on the Northwest Hospital & Medical Center campuses will be free on: weekends, New Year's Day, President's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

Q: Is there a similar parking system at the Northwest Outpatient Medical Center (OPMC)?

A: The Northwest Outpatient Medical Center (OPMC) is located south of the hospital at 10330 Meridian Ave N. The parking fees are the same at OPMC, and in effect from 7 a.m. - 7 p.m.
